

Personal Transparency

I'm a little bit introverted
But I'm gonna show you my whole life
Here's a picture of my mum and dad
And here's a picture of my wife

Real life is distress for me
I don't talk to you at all
Time for personal transparency
Here's my life and here's my soul

Did you know where I was born and raised
Ok, then I'll tell you now
Did you know who I lost my cherry to
I'll even tell you when and how

Real life is distress for me
I don't talk to you at all
Time for personal transparency
Here's my life and here's my soul
